I am a Special Agent (SA) of the United States Homeland Security Investigations (HSI), and have knowledge of the following facts:

1. On February 18, 2019, Danny O'Neill DOBBS and Latonya HEARD entered the United States on foot through the Progreso, Texas Port of Entry.
2. At the Progreso Port of Entry, DOBBS and HEARD gave negative declarations for narcotics, weapons, ammunition and monetary instruments in excess of \$10,000 to Customs and Border Protection (CBP) officers.
3. DOBBS and HEARD stated they travelled to Mexico from San Antonio, Texas to go shopping for the afternoon, both individuals are United States Citizens.
4. DOBBS and HEARD were referred for a secondary inspection. During the secondary inspection, boxes containing pills that were labeled Alprazolam, Carisoprodol, and Oxycodone were found concealed within boxes of cookies that both DOBBS and HEARD had in their possession upon crossing from Mexico into the United States.
5. Further inspection resulted in the discovery of a total of 1,500 dosage units of Alprazolam, 1,150 dosage units of Carisoprodol, and 615 dosage units of Oxycodone. The dosage units of the controlled substances infers distribution.
6. Neither DOBBS nor HEARD possess licenses, prescriptions, or a DEA registration number authorizing them to possess or import the concealed narcotics.
7. HSI SAs, advised DOBBS of his Miranda warnings in the English language, which he stated he understood and waived in writing.
8. After waiving his Miranda rights, DOBBS stated he picked up packages at an undisclosed pharmacy in Mexico. DOBBS stated he thought that a controlled substance used to make methamphetamine was concealed in the boxes.
9. DOBBS instructed HEARD to carry some of the bags from Mexico to the United States.
10. HSI Special Agents placed DOBBS under arrest for violation of 21 United States Code 952.
